

# STAKEHOLDER EVENTS

## INVITATION

A range of stakeholder events are being held by all 5 Outcomes Groups. The purpose of these events are to:

- To raise awareness of the CYPSP process with the wider public and political constituencies.
- To encourage greater involvement from children, young people, parents, communities and organisations not already involved.
- To gather information regarding emerging needs in relation to improving outcomes for children and young people to inform the development of plans for 2014 onwards.
- To strengthen linkages and communication between the CYPSP membership, Outcomes Groups, Locality Planning Groups, Regional Sub Groups, Family Support Hubs and Parent Reference Groups.

In the Western Outcomes Group area an event will be hosted by each Locality Planning Group (LPG). Events are being planned for the other Outcomes Group areas and will be circulated when dates are confirmed.

The Outcomes Groups and LPGs would like to invite CYPSP and Regional Sub Group members to attend where possible and for any part of the events as outlined.
