Indicators in the action plan	This is ongoing with all groups to determine necessary indicators compared to the action plan scorecard.	Andrew Hawthorne
Assessment Guidance for HSC Trusts and particularly point 4.2 which outlines potentially difficult functions for HSC Trusts to fulfil	<p>The functions would be redefined to reflect the aim that all services are co-operative to ensure support for children and young people</p> <p>Put on the agenda of Children Services Improvement Board</p>	Maurice Leeson
Membership of the Group	<p>Inclusion of Sean Caughey from Carers Trust welcomed given the wealth of information Carers Trust have on education toolkits</p> <p>Recognised that representation from Education Youth Service may be useful</p> <p>Along with Careers Service if it was deemed useful at a particular time</p> <p>Representation from CAMHS was previously identified</p> <p>Link with existing HSC Trust Carers groups</p>	<p>Nicola Topping</p> <p>Nicola Topping</p> <p>Rosemary Breslin</p> <p>Carina Boyle</p>
Status of the group while recognising the need to 'lift' the issue of young carers, ultimately young carers should be included in mainstream service	The group would be a 'task and finish' group to complete a number of actions in the plan after which it would stand down
