Joint PCP Workshop	<p>Purpose of workshop was to identify what the key priority for this group was integrated plans and 'passports'.</p> <p>Other actions also important as outlined in the action plan</p> <p>Children and young people have followed a similar process and there is consistent overlap between determined priorities.</p>	
Task groups	<p>Although integrated plans and passports are priority, group members are encouraged to take forward the other actions in the action plan.</p> <p>Regarding the priority on integrated plans, Alan Sheeran has circulated some information and offered to coordinate initial meetings of this group. Group members are to respond to Alan with their interest.</p>	<p>Group members</p> <p>Alan Sheeran/Group members</p>
Information	<p>Range of information on disability along with a wealth of other information available in the latest monitoring reports. Members encouraged to use this information in the day to day work. Information available at</p> <p>http://www.cypsp.org/information.htm</p>

Regional Scorecard	Scorecard circulated to the group. The group was informed that the scorecard would be used to track progress against each of the actions using a traffic light system and commenting on progress. These will be noted by the CYPSP quarterly. A number of areas were updated for progress. These will be noted and completed for the next meeting. The scorecard will be a standing agenda item to allow for regular updates	Andrew Hawthorne/Kieran McShane
Membership/Attendees	Group agreed that where appropriate, particular people will be invited to attend/present at future meetings to ensure appropriate linkages. This includes a representative from the Department of Education and Department of Employment and Learning Disability and Employment Services.	
Queens University Belfast	<p>Positive feedback on the presentations delivered by Iolo Eilian and Rosemary Murray and the Sixth Sense Young People who were participating in a study and presented findings in the form of a DVD.</p> <p>There is a series of seminars with a Disability theme at Queens' University Belfast. The next will take place on November 15th and includes SBNI.</p>
