- 🌀 **Why work in partnership**
- 🌀 **Who and what is the CYPSP**

“Competition has been shown to be useful up to a certain point and no further, but cooperation, which is the thing we must strive for today, begins where competition leaves off.”

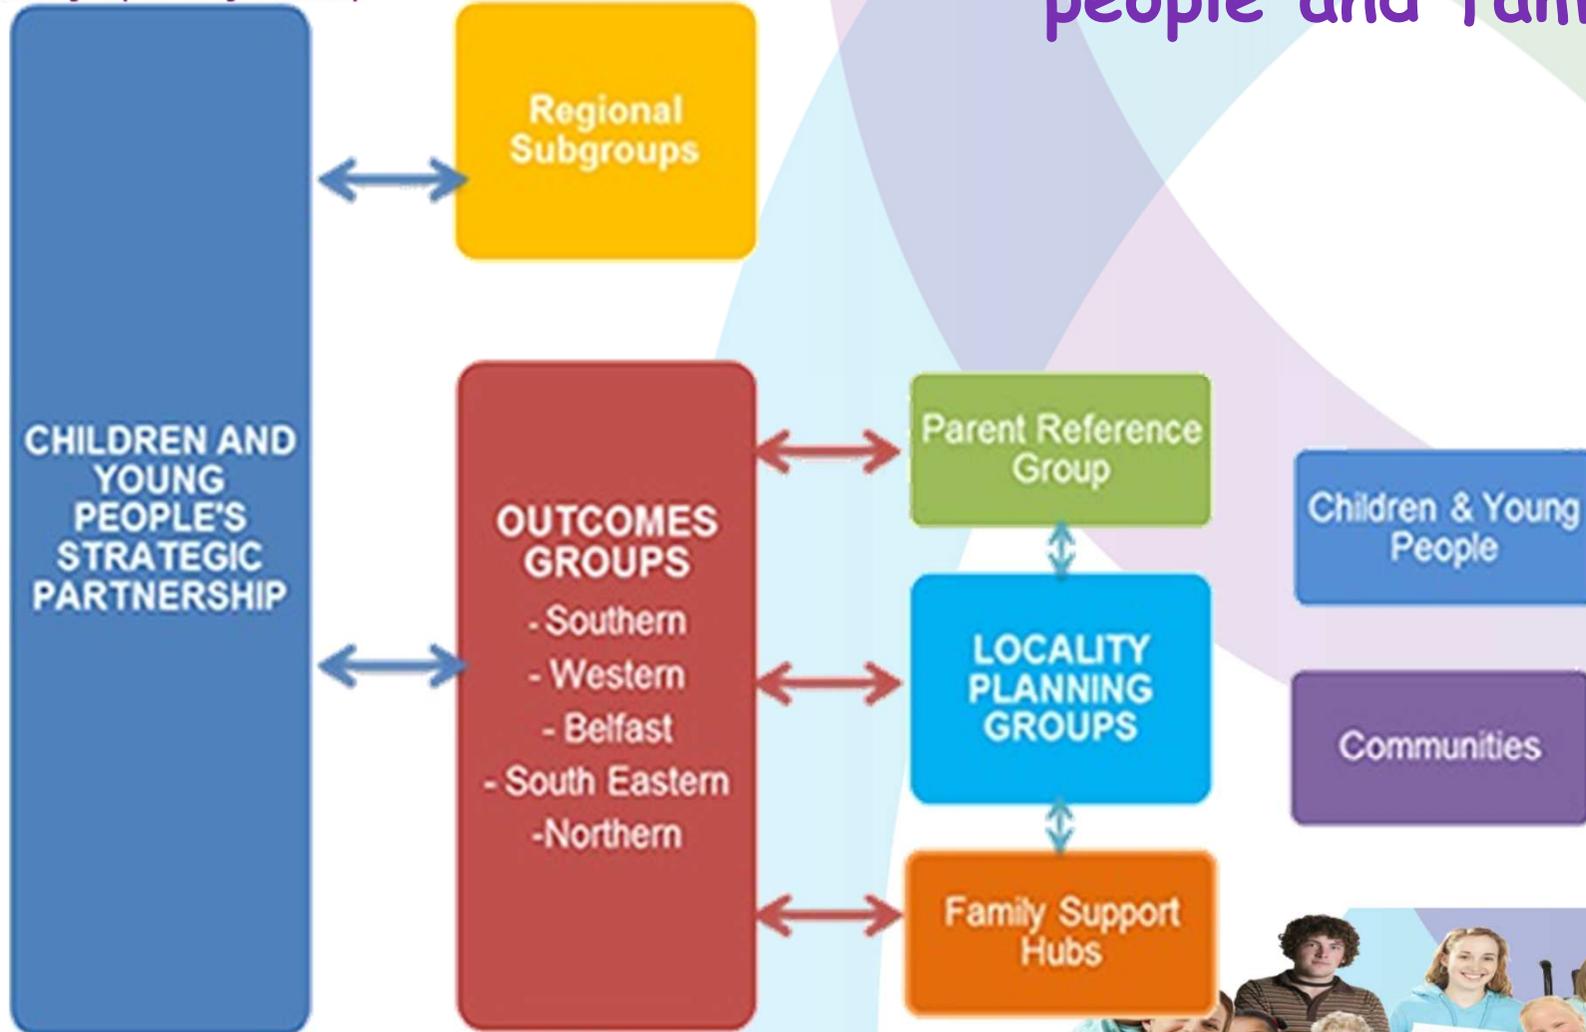

Franklin D. Roosevelt

# OUTCOMES

# Structures for integrated planning for children and young people and families

# CYPSP KEY THEMES

- Early intervention
- Communicating with Government
- Integration of Planning
- Optimisation of resources

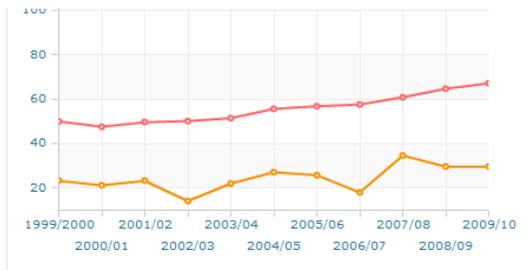

# EARLY INTERVENTION

- Early Years
- Early Stage of difficulty
- A whole society approach to early intervention – through ensuring the **network of supports and services** being present and applicable to address children's rights and needs **when** and **where** needed, and promoting an ownership within the community at large of the benefits of early intervention.
