LOCALITY PLANNING FOR ALL CHILDREN IN THE AREA

What do they do?

The role of each locality planning group is to:-

be a **partnership** between children and young people, families, communities and representatives of agencies at locality level at a geography that makes sense to the local community

draw up a locality **plan** to address priorities identified through **outcomes based planning** and to

mobilise local resources from the statutory, voluntary and community sectors to address these priorities –
Linking back to the Belfast Outcomes Group as part of the **Children and Young People's Plan**

Focus on
Early
Intervention
0-18

What makes this work:-

- Child centred focus
- Partnership working – membership –
Statutory/Voluntary/Community
- Action plan is based on sound evidence of need – outcomes
measurements, collective views from members, views of
children and young people, parents.
- Action plan – realistic, SMART etc and is monitored
- Support from wider CYPSP structure
- Commitment – Early intervention long term plan

**Children, Young people,
Parents
Communities**

Measuring Outcomes

- Indicators have been chosen which link to each outcome
- The information has been gathered together and is available at three levels, which reflect the three levels of planning
- Qualitative information from local communities, children and young people, and their parents and carers is essential in order to address issues at an early stage
