

Lesbian, Gay, Bisexual & Transgender (LGB&T) Children and Young People's Showcasing Event 12th September - 13:30 Youth Action - Belfast

The event will provide an opportunity to engage with young people from the LGB&T community.

Receive an update on the development of the new DE Children & Young People's Strategy and an overview of local LGB&T research relating to young people.

The event will also be an opportunity to showcase local initiatives and services and provide an opportunity for interagency networking.

The event is aimed at anyone who works with young people at practitioner level or who are in a position to influence policies and actions which impact on the lives of children and young people.
