

Southern Area Outcomes Group

Overview of Planning Process –
Action Plan 2017-2020

Paul Morgan

WHAT WE AGREED WE WOULD DO AS AN OUTCOMES GROUP:-

NI Children's Strategy	Southern Area Outcomes Group
Physical and Mental Health	Children and young people will have the best start in life and enjoy the best possible health and wellbeing
Enjoyment of play and leisure	Parents/Carers, Children and Young people are supported to understand the importance of, and to attend/participate learn and achieve in education and training
Learning and Achieving	
Living in Safety and with Stability	<p>All Children are Safe, confident and enjoy improved emotional wellbeing</p> <p>Parents/carers receive the help and support they need to positively empower them to parent. Children and young people live in supportive families.</p>
Experiencing economic and environmental wellbeing	
Contributing positively to community and society	Children and young people will experience and benefit from good relations, equality and diversity
Promotion of equality and good relations	
Living in a Society which respects their rights	All of above
All of above	Better co-ordination and collaboration across agencies in the Southern Area

Southern Outcomes Group – Key Priorities 2017/18

Outcomes we want to achieve for the children and young people in the Southern area and how they link with the NI Children & Young People’s Strategy Outcomes

Completed by: _____ Email _____

Outcome	Who do you work with in the Southern Area?	What are your organisational priorities for 2017/18 which will contribute to this outcome?	What evidence does your organisation use to support the choice of priority?	What works in delivering good outcomes for this group of children/young people and families?	What do you propose to do to address the priority?	Are there gaps in provision?	Who can Help?
<p>Physical and Mental Health</p> <p>Children and young people will have the best start in life and enjoy good health and wellbeing</p>							

Outcome – Key Themes identified across Agencies

ALL CHILDREN ARE SAFE, CONFIDENT AND ENJOY IMPROVED EMOTIONAL WELLBEING - LIVING IN SAFETY AND WITH STABILITY

Family Support & Improved Emotional Wellbeing – Parents of children with disabilities; **families of/and children in the justice system**; Practical and emotional support; Strengthening relationships care experienced children & young people; Children witnessing domestic violence

Parenting Programmes – including Parenting skills on underage drinking/alcohol awareness; anti-social behaviour; guidance on social media/internet safety; Understanding disability needs and behaviours; parent support services; Baby and Toddler; Incredible Years; Mellow Parenting; Bumps Programme.

Childcare/Transport – support needed to assist with provision of parenting programmes/parenting support

Community Support – Create welcoming communities/neighbourhoods; encourage active citizenship

Southern Area Outcomes Group Children and Young People's Plan 2017 - 2020

What We Will Do

Our Vision

The Southern Area Outcomes Group will deliver on better outcomes for children and young people and ensure all children get the best possible start in life and the best possible health and wellbeing

How We Will Do It

Positive Mental Health & Emotional Wellbeing

Together we will build resilience in young People and improve emotional wellbeing in families and communities

Children & Young People (including BME, LAC C&YP with disability) and their Families

Together we will provide opportunities for children & young people to come together for enjoyment and support; and provide opportunities for young peoples' voices to be heard in terms of shaping services

NI Children & Young People's Strategy Outcomes What we want for all our Children and Young People:

- Physical and Mental Health
- Enjoyment of Play and Leisure
- Learning and Achievement
- Living in Safety and with Stability
- Economic and Environmental Wellbeing
- Making a Positive Contribution to Society
- Living in a Society which Respects their Rights
- Equality and Good Relations

Practical Home Based Family Support

Together we will provide practical home based support to families and encourage strength based parenting with a focus on accessibility.

Enjoying & Playing

Together we will work towards broadening access to schools and youth/public facilities particularly during summer months (BME, LAC C&YP with disability)

Our Priorities/Outcomes- What we want to Achieve:-

- Children and young people will have the best start in life and enjoy the best possible health and wellbeing
- All Children are Safe, confident and enjoy improved emotional wellbeing
- Children and young people will experience and benefit from good relations, equality and diversity
- Parents/Carers, Children and Young people are supported to understand the importance of, and to attend/participate learn and achieve in education and training
- Parents/carers receive the help and support they need to positively empower them to parent. Children and young people live in supportive families.

Learning & Achieving

Together we will improve participation in early years care, education/school life including BME, LAC, C&YP with a disability and endorse early intervention approaches to support emotional skills/needs

How Will We Underpin Everything

Better co-ordination and collaboration across agencies in the Southern Area

Participation - Listen and influence	Early Intervention & Prevention	Evidence	Outcome Based Accountability - Is Anyone Better
--------------------------------------------	---------------------------------------	----------	-------------------------------------------------------

Southern Area Outcomes Group Children and Young People's Plan 2017 – 2020

Southern Outcomes Group Long Term Outcome: All Children are Safe, confident and enjoy improved emotional wellbeing

Situation Analysis:-

Purpose: Together we will build resilience in young People and improve emotional wellbeing in families and communities

- Concerns for young people with developmental/mental health issues risk taking behaviours- coping mechanisms - entering Criminal Justice system
- Lack of awareness of developmental/ mental health/ intellectual disability issues across agencies and community.

Strategies:-

- Work in Partnership
- Link to Scoping Study of Children & Young People in Criminal Justice System
- Enhance awareness of emotional wellbeing
- Enhance best practice response to support young people and families
- Good Communications

Resources

Inputs:-

- Staff (partners)
- CAMHS
- PSNI
- PCSP
- YJA
- Social Services (Out of Hours)
- Youth Service
- Council
- FSHs
- Vol/ Comm Sector
- Audit and Research to include young people's experiences
- Information Support
- Social Media
- Funding?

Implementation

Outputs:-

- Raise awareness of developmental and/or mental health and intellectual disability issues with Agencies and Community in relation to:-
- Roles and responsibilities to young people on the street.
 - Understanding inappropriate behaviour and communication skills of Children & Young People.
 - Processes within Agencies – is it ASD/Mental Health/Intellectual disability friendly?
 - What options are available?
 - Appropriate responses/ reactions by staff.
 - Sharing information re: CAMHS and Social Care interventions
- Establish Protocol of Best Practice in relation to young people presenting to Agencies with developmental/mental health/ Intellectual disability.

Activities

Results

Outcomes:-

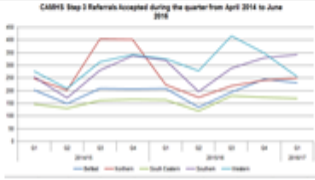

- Increase number of young people with developmental and /or mental health issues receiving the support they need.
- Increase awareness of good emotional/mental wellbeing
- Reduce number of young people with developmental and/or mental health issues progressing through the criminal justice system.

Evidence - see separate underpinning evidence page.

DRAFT 2 -TURN THE CURVE REPORT (Performance)

Southern Outcomes Action Plan Group Date: 29/3/2017

Programme/Service:	Positive Mental Health & Emotional Wellbeing: Together we will build resilience in young People and improve emotional wellbeing in families and communities
Key Measure- Curve you want to Turn:	Increase number of young people with developmental and /or mental health issues accessing services they need and reduce those progressing through the criminal justice system.
Do we have a Baseline?	Young people with developmental and /or mental health issues accessing services; Young people with developmental and /or mental health issues coming to the attention of the Police (with specific focus: on street)
Measure Baseline and forecast:	<div style="text-align: center;">  <p>See evidence Report</p> </div>
Story behind the baseline: (what are the causes /what do we need to look at)	Raise awareness of developmental and/or mental health and intellectual disability issues with Agencies in relation to:- <ul style="list-style-type: none"> • Roles and responsibilities to young people on the street. • Understanding inappropriate behaviour and communication skills of Children & Young People. • Processes within Agencies - is it ASD/Mental Health/Intellectual disability friendly? • What options are currently available? • Appropriate responses/ reactions by staff. • Sharing information/processes re: CAMHS and Social Care interventions.
Information Agenda: what I want to know more about	Developmental information agenda within Agencies to capture:- Number of young people known/involved with:- <ul style="list-style-type: none"> • CAMHS • Intellectual disability • Mental Health difficulties • ASD • ADHD • Complex Care History/ LAC

Southern Area Outcomes Group Children and Young People's Plan 2017 – 2020

	Understanding of the current environment for these young people.
Does this link to any population accountability indicators?	Young People accessing and receiving appropriate Support Young People coming to attention of the Police
Partners with specific role:	<ul style="list-style-type: none"> • CAMHS • PSNI • PCSP • Youth Justice Agency • Social Services (out of hours) • Youth Service • ABC Council • Family Support Hubs • Voluntary/Community Sector <p>Agreed that Pilot would be recognised as a KEY action by all stakeholders.</p>

What works – Best Ideas for Action Plan	<ul style="list-style-type: none"> • Pilot - ? Banbridge • Added value piece of work to overall Scoping Study of Children in the Criminal Justice System • Earlier Intervention for young people coming to the attention of the police on the street. • Look at alternative responses • Provide training and Awareness raising to key stakeholders. • Develop protocol of Best Practice in relation to young people presenting to Agencies with developmental/ mental health/ Intellectual disability with a view to roll out. • Research Possibilities including views of young people who have been through the system (Post Grad/Doctorate opportunities) • Awareness raising of emotional well-being for targeted group across agencies, families and communities. 	<p>PSNI Task & Finish Group</p> <p>ASD CAMHS Connect</p> <p>Southern area Locality Planning Groups</p>
