

### Background

From April-June 2017 Southern Area Locality Planning Groups met to agree priorities for their area based on qualitative and quantitative data. Groups were given a presentation by CYPSP staff on area profiles as identified through the CYPSP system mapping which are on the CYPSP website.

Partners in the LPG's requested a training workshop to help them use the systems mapping tool for planning in both the LPG and their own services.

On 9<sup>th</sup> June 2017 a training workshop was held at Bleary Business and Community Centre for CYPSP Systems Mapping.

The outcomes of the workshop were to:

1. Increase knowledge on the Interactive Mapping and Reporting tool.
2. Update knowledge of emerging issues in the Southern Area based on up-to-date Statistics compiled by Statutory agencies.

Outcome  
5  
(SOG Outcomes  
2014-17)

Better co-ordination and collaboration across agencies in the Southern area.

## How much did we do?

- 13 people attended the training
- Half day training session
- Training delivered by CYPSP Information Team

## How well did we do it?

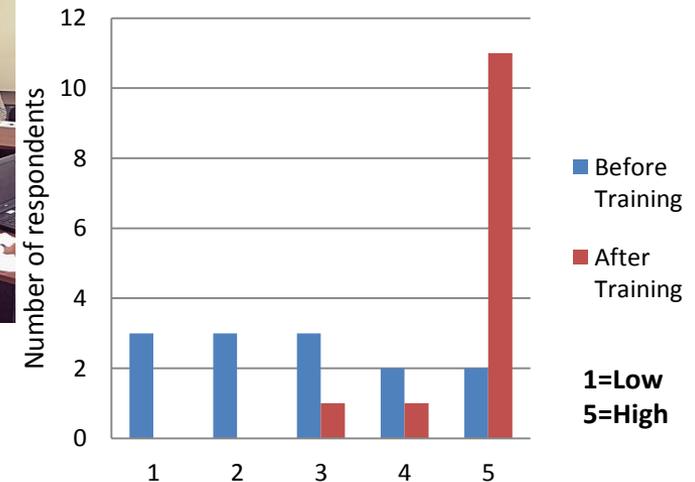

- Community and Statutory Agencies attended
- Low/no cost activity

## Is anyone better off?

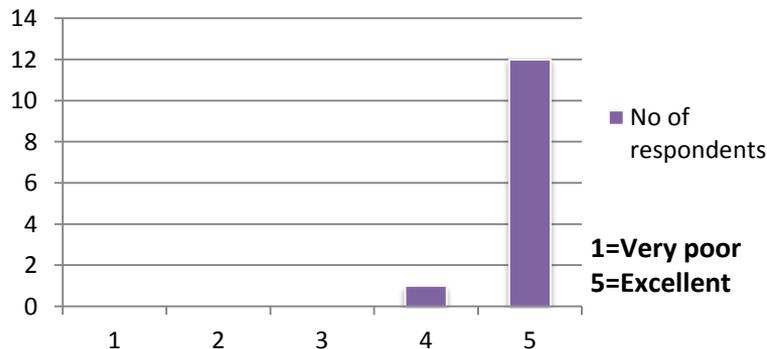

- All 13 participants agreed the training objectives were completely met
- All 13 participants scored 5 (maximum score) for the content, delivery and materials for the training

## Knowledge Before and After Training

## On a scale of 1-5, how would you rate the event as a whole?

**“All of it was useful”**  
**“Can actually use this great resource now”**  
**“Will use again within my job”**
