

Purpose/Objectives of Workshop

Purpose

Explore and agree on a multi-agency basis what needs to be done to establish a culture of high expectation for Looked After Children in terms of achievement in education ,training and employment

Objectives

- To outline the policy and strategic direction for Looked after Children and education from the perspectives of DE/DoH
- To examine how looked after children and care leavers are currently doing in education, training, employment
- To share good practice in supporting looked after children from the Health and Social Care Trusts and Education Authority
- To agree priority actions for a regional multi-agency CYPSP group on improving education outcomes and career pathways for looked after children and care leavers
