## **PROFESSIONAL PRACTICE**

### **TRAIN THE TRAINER PROGRAMME**

#### **DATES FOR 2019**

Building on the EITP Level One Adverse Childhood Experiences (ACE) Awareness and Level Two Trauma Sensitive Practice session the Safeguarding Board for Northern Ireland in partnership with the HSC Leadership Centre has developed a Train for Trainers Programme for all organisations.

#### **Objectives of the Train for Trainers Programme**

By the end of this two day training programme the participant will;

- Have developed training skills and continuous professional development by becoming a Trauma Informed Practice Trainer
- Be able to support their organisations consistency of common language and understanding of ACEs and trauma sensitive approaches to practice across the system in Northern Ireland
- Be informed and confident to deliver a minimum of three Level One and Level Two awareness programmes per year post attending the Train the Trainer programme using the training resources and guidance documents.

#### **Audience**

A set of criteria has been outlined below to enable potential participants to understand their suitability for the programme

- Occupational – a minimum of three years' experience of direct service delivery with children or adults
- Vocational (desirable but not essential) – a minimum of one year's experience in the delivery of training
- Ensure there has been a commitment from senior management to provide ongoing support and continuous professional development for you in this trainers role through the future delivery of this training programme
